

SCUBAPRO CONSUMER NOTICE

SCUBAPRO has a recognized network of Authorized Dealers in Australia and around the world. Personnel in these centers have received highly specialized training in the sale, service and scheduled maintenance of SCUBAPRO and UWATEC dive equipment. We strongly recommend that you only purchase SCUBAPRO UWATEC equipment from the Authorised network of professionals Dealers.

Any SCUBAPRO or UWATEC equipment purchased from a non-authorized source will not be covered by SCUBAPRO world wide warranty as SCUBAPRO can not guarantee that products obtained from these sources are genuine or that they have not been altered or modified.

These non-authorized sources include internet and direct marketing companies such as **Leisure Pro USA** and **Dive Imports Australia** who obtain our products from undetermined sources and do not undergo the personnel training programs and product updates necessary for proper representation of SCUBAPRO products. Manufacturer product warranties from these retailers will not be valid.

Additionally, non-authorized retailers do not have access to current SCUBAPRO product ranges and manufacturer led promotions. To ensure you are getting the right advice and the most current product selection, only purchased SCUBAPRO products from an Authorized retailer.

Full details of our global distribution policies and for a list of Authorised Scubapro dealers globally can be found on our web site www.scubapro.com.

Yours Sincerely
